## WHO WE ARE

World Innovation Solutions, LLC (WIS) is a **Service-Disabled Veteran-Owned Small Business (SDVOSB)** specializing in construction services. We are committed to excellence and vigor in meeting your agency's construction needs. Our team brings over 40 years of experience in project management, site supervision, and construction consulting. **WIS** prides itself on delivering quality and efficiency on every project. We excel at mobilizing skilled professionals and subject-matter experts to ensure we meet our client's needs effectively and proficiently. We leverage our expertise to mobilize the right mix of skills and subject-matter experts. This ensures that we effectively and proficiently address the unique needs of our clients, achieving successful outcomes with each collaboration. At **WIS**, we are committed to serving our clients with integrity, innovation, and unparalleled dedication. We look forward to the opportunity to partner with your agency and contribute to your success.
